

# Major Pipeline Projects On The Horizon

## As of February 2004

This page shows major natural gas pipeline projects that are at some level of early planning (“on the horizon”) but have not been filed with the Commission. If a project sponsor makes a filing (traditional filing or NEPA Pre-Filing) for a project shown on this page, the project will be removed at the next update.

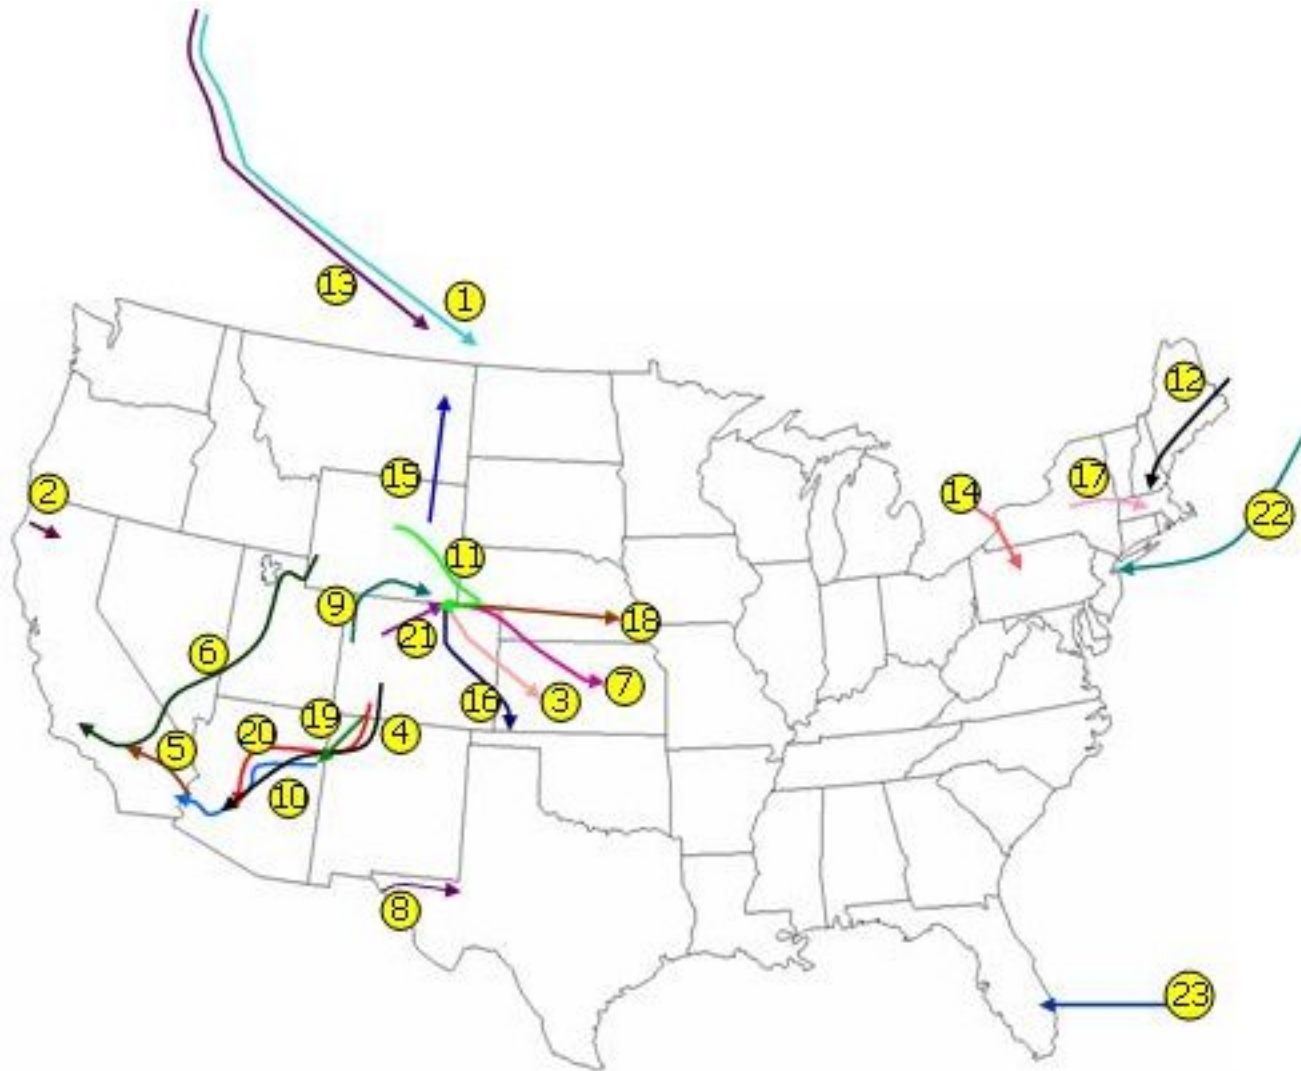

This information has been obtained from publicly available sources and will be updated quarterly.
